#### PUBLIC NOTICE

#### IMPORT TRADE CONTROL

*New Delhi, the 3rd January 1961*

No. 2-ITC(PN)/61.—It has been observed that firms, who have applied for licences and who have some previous correspondence with Chief Controller of Imports and Exports' Office/Port Licensing Authorities sometimes do not quote the previous communication received from this office, while writing to this office again. This makes it difficult to trace previous references, with the result that the disposal of the case is often delayed.

2. In order to ensure speedy disposal of cases, firms having previous correspondence with Chief Controller of Imports and Exports' Office/Port Licensing Authorities are requested to quote the previous communication received from this organisation.

K. T. SATARAWALA,  
Chief Controller of Imports and Exports.
